Pre-Contractual Data Information: Connected Product (EU Data Act)

Product	FLK-729 150G, FLK-729 150G FC, FLK-729 300G, FLK-729 300G FC, FLK-729 30G, FLK-729 30G FC, FLK-729PRO 4M, FLK-729PRO 7M
Firmware / HW	Various
Connectivity / Interfaces	BLE / USB / HART
Contact	privacypolicy@fluke.com

1) Product data

- **Physical measurements:** pressure, current, temperature
- **Device identifiers:** model, serial no., firmware revision, radio ID
- **Status / telemetry:** on/off, operating mode, battery level, logging interval, logging duration, memory status
- **Events & diagnostics:** warnings, overload indication
- **Device Configuration:** sensor types, customized ID, custom procedures, saved results (Tag ID, Serial Number, Device ID, As Found/As Left values and timestamps, logged data and settings), last calibration date

Estimated volume (typical): ~32B/second

Collection Frequency: 1 to 60 readings per minute

For general operational guidance, please refer to the product's user manual.

2) Data formats

- **On export:** Microsoft Access MDB/Text/PDF/CSV/XLS/JPG
- **On device/in transit:** proprietary/binary

3) Storage & retention

- **On-device storage:** Yes. 8000 records. Stops recording upon reaching the limit.
- **Cloud / servers:** No.
- **Retention:** data on device retained until the user deletes it
- **Deletion/anonymization:** follow the directions in the Statement of Memory Volatility

4) User access, export & erase

- **Where:** Fluke Data Downloader.
- **How:** [Connect to device > Export Data… > Select destination folder].
- **Export formats:** [CSV].
- **Limits/rate-limits (if any):** none
- **Request erasure:** delete database

5) Data Sharing with Third Parties

To the extent Fluke has access to the relevant data, you may authorize a third party to access such data by contacting Fluke using the details set out above, specifying the recipient and

purpose of the data sharing. You may view and revoke authorized data transfers at any time via the same contact details.

Where data is stored locally on your device or within your own environment and is not accessible to Fluke, you are responsible for granting third-party access directly.

6) Terms of service, contract term & termination

As provided in the quote, order form, or agreement between you and Fluke. If you purchased the product through a distributor or reseller, the terms of service, contract term and termination are as agreed between you and that seller.

7) How Data Holder uses the data

If Fluke has access to any data generated through your use of a Fluke connected product or related service, this will be used in accordance with the applicable agreement between you and Fluke, through which you purchase Fluke's products or services. The relevant Fluke entity details will be specified in the quote or order form as applicable.

Fluke may engage third parties to act as service providers and perform certain tasks on its behalf, such as processing or storing data generated in connection with your use of a Fluke connected product or related service. For more information, please visit **https://www.fluke.com/en-us/fluke/privacy-policy**

8) Trade secrets

No trade secrets are contained in the data.

9) Right to lodge a complaint

If you have a complaint relating to your Fluke connected product or related service, or the Data Act in general, you can contact Fluke using the details set out above. You also have the right to lodge a complaint with the relevant competent authority designated under Article 37 of the EU Data Act, in the Member State of your habitual residence, place of work or establishment.
