Pre-Contractual Data Information: Connected Product (EU Data Act)

Product	GT-900-CH, GT-900-D
Firmware / HW	All versions
Connectivity / Interfaces	USB
Contact	privacypolicy@fluke.com

1) Product data

- **Physical measurements:** Protective conductor resistance, insulation resistance, leakage current measurement, voltage, current, functional test (P/IPE) apparent power (VA), active power (P), line voltage at the tested appliance (U), load current (IPE), power factor (cos φ), automatic testing of portable RCDs (PRCD, PRCD-S, PRCD-S+, PRCD-K, PRCD-K+)
- **Device identifiers:** Model, serial no.

Estimated volume (typical): 5000 measurement results.

Collection frequency: User manual saving.

For general operational guidance, please refer to the product's user manual.

2) Data formats

- Available as CSV on export

3) Storage & retention

- **On-device storage:** Yes. Buffer depth 5000 records.
- **Cloud / servers:** No.

4) User access, export & erase

- **Where:** Direct export to USB flash drive; see the **Product User Manual**
- **How:** Follow the user manual for instructions related to data export to a USB stick.
- **Export formats:** CSV.
- **Limits/rate-limits (if any):** None.

5) Data Sharing with Third Parties

To the extent Fluke has access to the relevant data, you may authorize a third party to access such data by contacting Fluke using the details set out above, specifying the recipient and purpose of the data sharing. You may view and revoke authorized data transfers at any time via the same contact details.

Where data is stored locally on your device or within your own environment and is not accessible to Fluke, you are responsible for granting third-party access directly.

6) Terms of service, contract term & termination

As provided in the quote, order form, or agreement between you and Fluke. If you purchased the product through a distributor or reseller, the terms of service, contract term and termination are as agreed between you and that seller.

7) How Data Holder uses the data

If Fluke has access to any data generated through your use of a Fluke connected product or related service, this will be used in accordance with the applicable agreement between you and Fluke, through which you purchase Fluke's products or services. The relevant Fluke entity details will be specified in the quote or order form as applicable.

Fluke may engage third parties to act as service providers and perform certain tasks on its behalf, such as processing or storing data generated in connection with your use of a Fluke connected product or related service. For more information, please visit **https://www.fluke.com/en-us/fluke/privacy-policy**

8) Trade secrets

No trade secrets are contained in the data.

9) Right to lodge a complaint

If you have a complaint relating to your Fluke connected product or related service, or the Data Act in general, you can contact Fluke using the details set out above. You also have the right to lodge a complaint with the relevant competent authority designated under Article 37 of the EU Data Act, in the Member State of your habitual residence, place of work or establishment.
